We strive to establish an environment in which all types of learners may thrive. Information you provide about your child's learning strengths and challenges will assist in our efforts to accommodate and provide for those needs and to have appropriate materials in the classroom. It is our experience that when the Education Director is not provided with this information in advance, we are often trying to overcome negative experiences that may inadvertently arise. We want to start the school year positively for each child!

The following would be helpful for our teachers/staff to know. Please circle all that apply:

- Wears glasses/contacts
- Easily upset
- Attention Deficit Disorder
- Hearing difficulty
- Speech problem
- Academically gifted
- Overly active
- Short attention span
- Has a behavior modification plan

Does your child have any of the following that might affect her/his ability to learn? Circle all that apply:

- Reads below grade level
- Has difficulty copying from board
- Dyslexia
- Cannot reproduce on paper what is seen
- Attach an IEP/GIEP and/or list anything you'd like us to know about your child

Is there any special information of which we should be aware (i.e. peanut allergy, carries an epi pen) ?
